**CREATIVITY**  
 and general craziness.

Hosted by our very own pseudo-celebrity Samuel "Sammy" Jonas Funk, Sammy Funk's Court is a time of improv, entertainment, and general chaos. Be ye warned -- some poor fools will be dragged into this mess. Events include Whose Line is it Anyhow, Scenes From the Beer Hat, and other random improbable things. The script's out the window, the plan's out of the bag, and the cats broke from the herd. All ideas we didn't make up on the fly were written and donated by the MxXpawev Foundation -- Making a New Tomorrow! Special Guest appearance by Prince\*.

\*Prince will not actually make a guest appearance. Sammy Funk does not condone the eating of small children. Sammy Funk's Court may result in such side effects as mild lunacy, complete lunacy, and mild hulkism. Sammy Funk does not discriminate on the basis of race, creed, sex, gender, sub/dub preferences, major, religion, super-human abilities, the French, clothing preference, or species. # EVENTS

## All-Night Events

### Raffle

Every year we have a raffle. In previous years we use tickets that could be lost, stolen, misplaced. It was up to you to be present in the event room and check your tickets at the time of the drawing. This year, everyone that shows up to Shadows is automatically entered into a digital drawing. Each person gets one free entry. Buy more entries for \$0.50 at the ticket counter. We will have a list of prize winners at the prize table and will be announcing them in the event room all night using the name you registered with. Drawings every hour! Our prizes are better than ever this year so check out our prize table and buy more entries!

### Scavenger Hunt Event

The clues are cryptic but will have you slapping your forehead once you figure them out! You'll be hunting all over the con for this event! Prizes will be given, so, as they say in second grade, put on your thinking caps and get scavenging!

### Art Contest

Art entries are at the end of the book, and on display all night! A voting box will be set up by the entries. Votes will be counted at 10:30pm.

### Silent Auction

We are having silent auctions on some of our more valuable and desired items that were donated to us earlier this semester. Please stop by our table for more information.

## Main Room Events

### Opening Ceremonies

Welcome to Shadows! Give us a few minutes of your time to tell you what's going on tonight. We will introduce ourselves and our guest, Sammy Funk. We might even give away a prize or two.

### Karaoke

The Karaoke Club of UNR is taking over the Main Room! Come sing out your heart, and our ears.

### Rock Band Contest

This is a performance contest. Get your friends together and give us a show! Game will be set to "no fail" mode, so give it your best! Our judges will be basing the winners primarily on audience participation and band cohesion. Not being in constant fail will help, but don't miss the opportunity to show off your flashiest moves because you were worried about missing the notes. Sign up at our table!

### Dancing

When nothing else is going on there will be music for dancing!

# EVENT ROOM

## Stuff We Shouldn't Have to Say

(but it's so important it gets its own page and a ninja)

### Alcohol Policy

There is NO drinking at this event. If you are intoxicated you will be asked to leave. If you have alcohol with you at this event you will be asked to leave. Your money will not be refunded and your badge will be confiscated. UNR is a dry campus and this is a dry event. There is security at this event and if you do not act responsibly you may be asked to leave, or worse.

### Weapons Policy

Our official weapons policy is "don't be stupid." We expect that there will be people carrying around wooden swords. Don't use them. No live steel, no guns, and nothing that could easily be mistaken for a live blade or a gun. If you have any doubts then talk to a staff member. We can put questionable items in our staff room to be returned to you when you leave if you don't wish to take the item to your car. There is security at this event and if you do not act responsibly you may be asked to leave, or worse.

### Mock Fighting

Please act responsibly. We do expect that some in-character mock fights will happen. We are all here to have fun but we also recognize that things can get out of hand quickly. We understand that "mock" fighting or light horse-play will happen but please keep it reasonable. In-character and playful "fighting" is alright. No punches, no kicking, no real fighting. Do not rough-house near any of the equipment. Do not rough-house near any of the vendors or artist tables. Do not mock-fight if there is anyone near you that might be injured as a result of your playing around. If you think it could disturb anyone around you then don't do it. There is security at this event and if you do not act responsibly you may be asked to leave, or worse. (Are you noticing a pattern yet?)

And one final time for good measure: **There is security at this event and if you do not act responsibly you may be asked to leave, or worse.**

### Trivia

Name the girls that hit on Tenchi. Does Excel have a last name? What's Osaka's real name? What's written on the side of Takumi's car? Who was Chi's sister? You know some answers? Great! Show your stuff. This will be played at random times in the Event Room and there will be prizes!

### Make that Anime!

{ Insert description here }

### Cosplay / Costuming panel

Come talk with Christina Swain about cosplay. Have you ever cosplayed? Would you like to cosplay? Are you just curious about cosplay? She will be discussing specific costumes, techniques for putting together costumes, cutting down on time and expense in making costumes, and her cosplay group here in Reno.

### Ask A Ninja

Did you ever have a burning question for ninja? A question only a ninja could answer? We will have a box and paper for questions set up at our table up until this event for your ninja questions. If the ninja thinks the question is NINJA ENOUGH he just might answer it for you in this 15-minute ninja answer session. Ninja, ninja, ninja. Ninja.

### Monologue Contest

This is a performance contest. Time to show your best evil monologue, silly monologue, crazy monologue, etc. Please keep it family friendly, PG to PG-13. You may have an accompanist, but they can't speak. Bongo drum players or mimes are OK. The host of this event has informed us that he will have a shepherd's crook to haul someone off stage if they go over their time slot or are just terrible. Sign up for this event at our table. Late sign ups may be accepted in the Event room at the host's discretion. Spots are limited.

### Cosplay / Costume Contest

Cosplay or Halloween costume, we want to see your best! Sign up at our table. We will need all contestants to be in the Event room during Ask A Ninja for set-up.

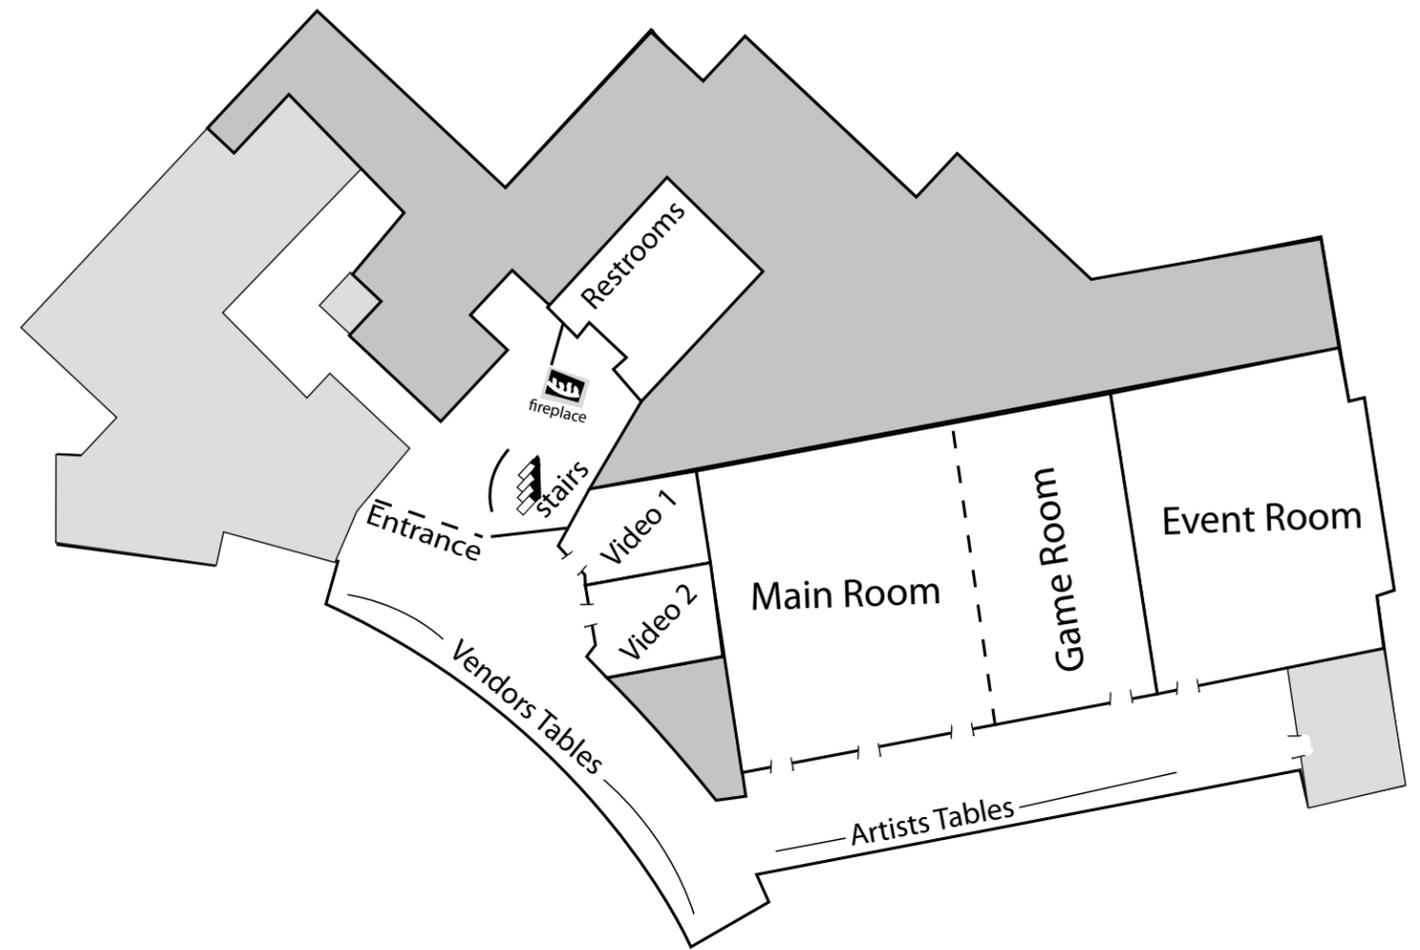

### Sammy Funk's Court

Our guest, Sammy Funk, and two of his closest pals are asking you to entertain them! Prizes will be given to best court jesters! Improv games will be played with lots of audience participation. Some staff-only games will be played to take a little of the burden off of the audience. This event will also end with our closing ceremonies. We want everyone to show up because the more people that attend, the better the chaos will be!

AMV contest note: due to lack of participation, this year's contest has been canceled. Thank you to the few that did enter. We will be showing the entries and more random AMVs in the video room in between each series as filler.

## Game Room

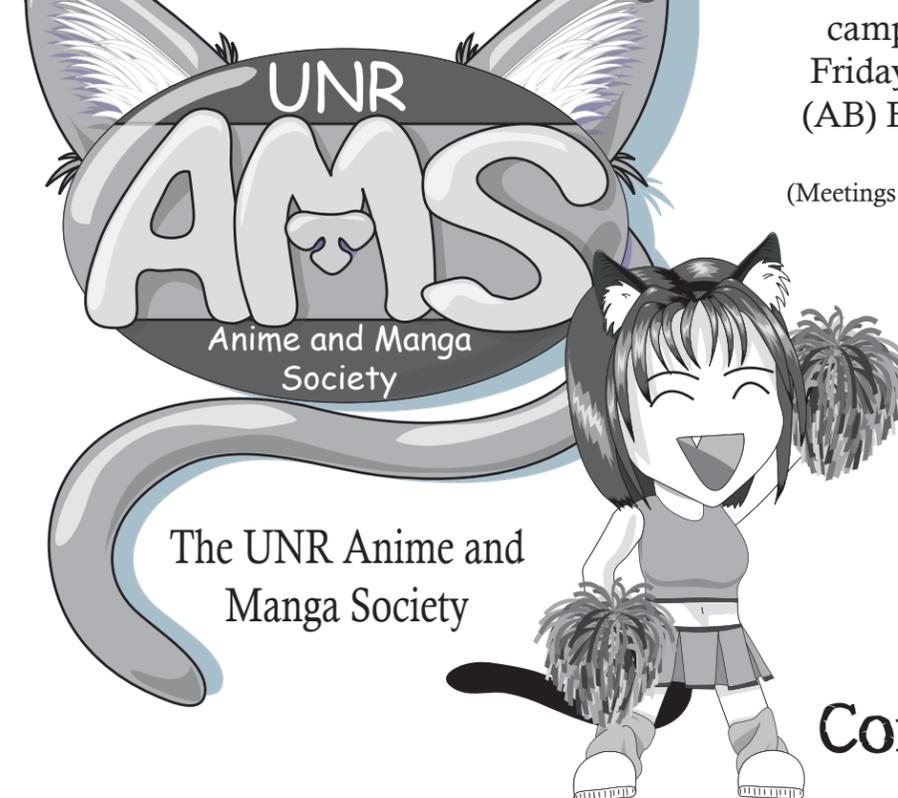

Free play on all console games will be available all night including Dance Dance Revolution and Rock Band.

### Super Smash Bros Brawl Contest

Do you have that favorite character with which you PWN all. Is it Mario, Samus, Zelda, or perhaps Kirby? Choose your warrior wisely as you fight for first place. This tournament-style battle will show who truly pwns all, and who gets cool prizes. Standard SSB rules will be in effect and are subject to modification at any time before the tournament. Also, you may bring your own controller, but you are responsible for it. Controllers will be provided.

The UNR gaming club D.R.A.G.O.N. will be taking over the game room right after the Smash Brothers Contest for the rest of the night. They will be running hour-long sessions of D&D (high fantasy hack and slash), World of Darkness (modern day mystery and terror), and Necessary Evil (superheroics with a villainous touch).
