# LETTERS FROM THE CHAIRS

Hello fellow con goers,

I'd like to thank you, all the volunteers, and my fellow staffers for continuing to make SNAFU Con bigger and better each and every year.

As con grows closer every year, I get excited for what feels like coming home: reuniting with, and meeting amazing people and fans. I hope all of you have fun at SNAFU Con! Enjoy the panels, events, games, vendors, and chaos. With your support and involvement, SNAFU will continue to grow and become more and more spectacular each year.

Sincerely,  
Nathan Sindar  
SNAFU Con Chairman

Welcome to SNAFU 2012!!

It's that time again! It feels like it snuck up on me. One day it was May, the next day it was August, and now con is here. This year promises to be bigger and better than the last – as I expect every year will. It's been another crazy ride and I am looking forward to seeing all of you having fun at this labor of love called SNAFU Con! I know that I do this for you. You and your wild antics, craziness, and silliness. You, the staff, the guests, the attendees, the artists, the vendors . . . you are all such amazingly awesome people that I feel honored to do this for you.

I don't mean to gush, but it's true! The staff have worked hard this year to make SNAFU awesome. We have some really cool guests and fun programming. And don't forget to just hang out with some of your fellow con-goers! Go out there and feel free to be yourself because you are among friends!

Pass the pocky and I'll see ya in the hentai room! =D

~beta  
SNAFU Con Vice Chair

Dear Con goers,

It's that time of year again, when we all gather under one roof to be awesome freely. Why? Because we're awesome. You guys are some of the best people I've met. My fandom has always been a great way to meet tons of people, ranging from incredibly talented actors and musicians to cool cosplayers to guys like me—the so-called "plain" folks.

I'm not a pro-level cosplayer. I'm not the best actor, or comedian, or even vocal talent. I'm not an expert in much of what I do—I'm entirely self-taught, and have been winging it for the last few years. And you know what's so amazing about that? It works. It genuinely works.

The reason my heart is so close to this convention is that we are, like many groups, out there, actively making things cooler, and more fun for the fans, the guests, the con-goers. I know we pull good numbers, and I am proud of that. I am prouder, though, that people keep coming back. Guests keep asking to come back. Panelists love coming to Reno. I'm happy that you show up, but I'm validated in that you keep coming back for more. I feel genuinely awesome that you guys enjoy this con enough to keep coming back.

So, as I sit back, smile, chomp on a bubble-gum cigar from the candy store down the hall (omnomnom) and grab a seat, I just want to say thanks to everyone who shows and everyone who attended. I want to thank every staffer, volunteer, department head, and anyone else I'm forgetting.

So, in the words of a great movie, Be Excellent to Each Other!

Michael "Gopher" McCraven  
Lord Emperor, Vice-Chair and Programming Director.

He has also worked as a writer and director on several TV series including Dragonball Z, Case Closed and Lupin the Third.

## Wendy Pini

Largely self taught, her artistic talents were influenced by turn-of-the-century illustrators, film and TV animation, Shakespeare, Japanese history, fairy tales, myths and modern fantasy. She began her professional career as an illustrator for magazines such as "Galaxy" and "Worlds of If."

Warp Graphics. Her latest effort is "Elfquest: The Final Quest," the next epic story arc in the long-running Elfquest saga. Wendy considers this her life's work.

In 1997, Wendy had the rare privilege of designing the elfin mascot for the Enclosed Laminar Flames investigation (ELF) an experiment performed in space by members of the crew of Space Shuttle Columbia. In June 2012, Wendy and husband/partner Richard are slated to be guest speakers at Spacefest IV.

Though Elfquest has yet to make it to the big screen, Wendy has never stopped producing new comics-related material for

## Brad Beachell

Born and raised in Utah. Originally cast as a minor role, his vocal prowess soon became evident and he quickly rose to the challenge in his new role as one of the main characters, Prince Alexandros in a new audio book. Since then, he has had several roles in videos and movies, and looks forward to his next major role in Return of the Guitar Lord as Marko.

*Christopher Escalante* is an award-winning music composer and voice actor for video games, film, and media.

As a composer, Christopher has learned from many prominent composers such as Hans Zimmer, Gerard Marino, Sam Cardon, and many others. First composing in 2009, he quickly gained popularity after being awarded the “2009 AME Best Audio - Body of Work” by the Academy of Modding Excellence for his contributions to the Neverwinter Nights 2 IGN modding vault. *Preston Cowley* a Denver native, grew up fascinated with video games, animation, and voice acting. *a.k.a. Warky T. Chocobo* grew up playing video games, first on his Commodore 64, and eventually at the ripe age of 5, playing Nintendo.

Steve remembers popping in Super Mario Brothers, and from the moment that first note played, he was hooked. Steve wanted to learn to play piano so that he could recreate the melodic tones he heard. Being too poor for piano lessons, Steve taught himself to play the piano without using his thumbs. Steve is also a talented LDS “Mormon” singer and lyricist with his parody group, “They Might Be Elders.” Steve now voice acts for audio books, as well as video games with his latest project coming out soon, “Return of the Guitar Lord.”

# TABLETOP GAMES

***Dungeons and Dragons*** has been the mainstay of high fantasy roleplaying for decades, and for good reasons! D&D has defined tabletop gaming, and here at SNAFU, you can have the chance to see what the fuss is all about! Both 4th edition and 3.5 will be available for veterans and new players alike. So join in, slay some orcs, and have fun!

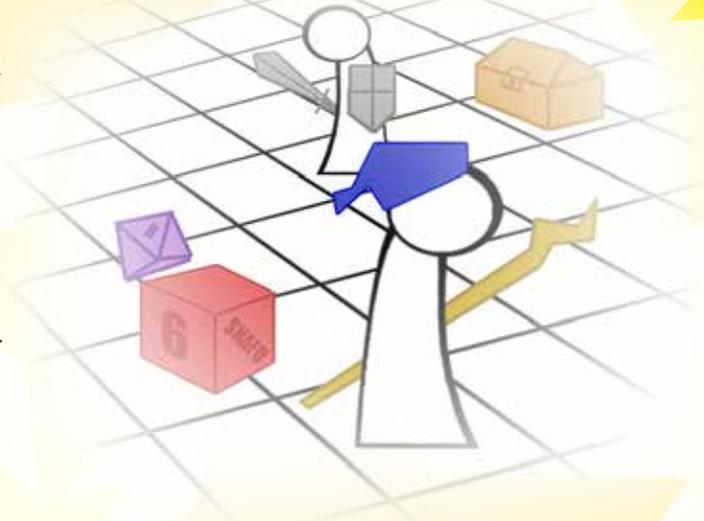

***Slipstream*** Welcome to Slipstream, an interstellar prison locked behind a black hole, home to the most dangerous aliens and monsters in the universe! Be warned, though, the safeguards are on the verge of collapse, and only the most daring heroes can keep the galaxy safe. Charge your ray guns and strap in your seatbelts, because this rocket is a one-way flight to adventure!

### ***Warhammer 40k: Dark Heresy***

In the grim darkness of the 41st century there is only war! The Warhammer 40k roleplaying system sets its players in the very hazardous clutches of the distant future, where the best the loyal children of the Empire can hope for is gunning down a few Orks, Chaos Demons, or Tyranids down before dying in the name of the Emperor. Keep your bolter ready, and try not to donate your skull to the skull throne.

### ***Star Wars d20***

A long time ago, in a galaxy far, far away, a dire star shines. Step into the roles of Jedi and join a hunt for evil Sith infiltrators, whose insidious schemes threaten to shatter the peace of an entire world. Use the Force to your advantage, talking (or pushing) your way to your goal, or use your lightsaber to bring justice and peace on a glowing-hot edge!

### ***Board Game Bonanza***

Come join us for board games! SNAFU is proud to offer a wide selection, including favourites like Munchkin, the slap-stick card game where you kill the monster, take the loot, and stab your buddy in the back, and Betrayal At The House On The Hill, where you and a group of intrepid explorers build a creepy mansion whilst exploring it, only to find out that one of you is the traitor!

### ***Shards***

As a special treat, the minds behind the Shards webcomic, a hectic and high-powered amalgam of Mother Goose's Fairy Tales, will be holding a session of Shards, the roleplaying game! Play characters such as the Velveteen Rabbit, whose myriad noxious diseases kills everything around him, and Jack-Be-Nimble, whose acrobatic leaps have been augmented by pyrokinesis, while taking on villains that span the range from Fairy Tales, to even modern anime!

***Pathfinder Society Organized Play*** is a worldwide fantasy roleplaying campaign that puts YOU in the role of an agent of the Pathfinder Society, a legendary league of explorers, archaeologists, and adventurers dedicated to discovering and chronicling the greatest mysteries and wonders of an ancient world beset by magic and evil. In Pathfinder Society Organized Play, you play a member of the Pathfinder Society, seeking fortune and glory all over the face of Golarion. At the same time, your character works for one of the competing factions, all with their own motivations and secret agendas.

## *Kurenai*

After having played last year, you guys raved about this Sacramento-based Japanese cover band. So they're back in 2012 to grab a crowd and wreak havoc! Founded in 2011, they draw inspiration from bands like High and Mighty Colors and Asian Kung-Fu Generation, just to name a couple of groups. And they're playing live for us again!

## *Warky*

Whether you have been going for three years, or this is your first year, we hope you have enjoyed our con. It takes hard work and dedication from staff and volunteers to makes this event great. We continue to strive to make this convention better each year, but we can not do this with out your help. **Email [hr@snafucon.com](mailto:hr@snafucon.com) and tell us you want to be staff!** Not only will you contribute to SNAFU Con's awesomeness, you will also get a free badge!

Now I know what you are saying, "Staff? That sounds like a lot of hard work." Well it is, but ask any staff member and they will tell you it is worth the effort. You don't have to put in the long hours that the staff do to help out our con. Sign up as a volunteer the same way you would staff. Volunteers only help out during con. For just four hours a day, you can earn your registration fee back. You still get to see the panels, watch the anime, and participate in the tournaments.

With your help, we will continue grow into a bigger and better con. Sign up now!

See you next year for SNAFU Con 2013!
