Tell Us What Made Waves... And What Didn't

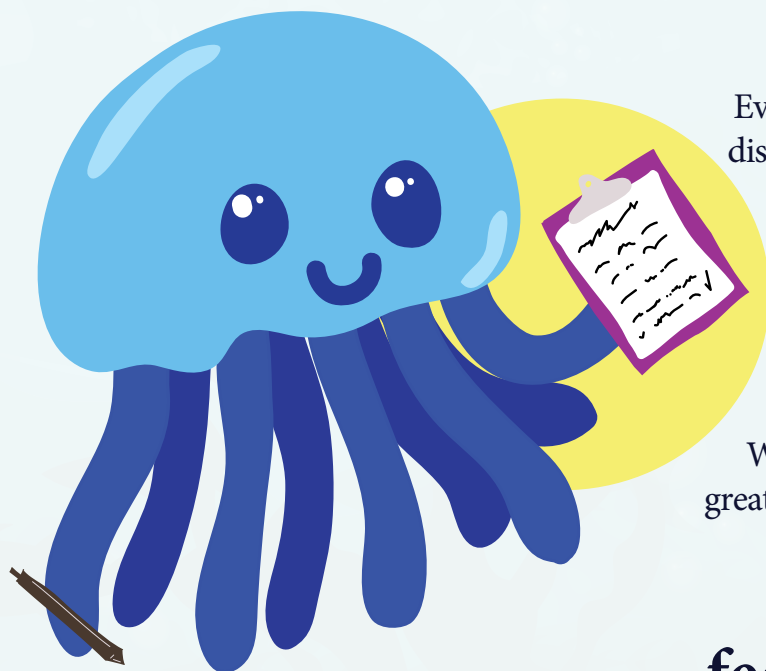

Every ripple of an idea, every new sighting, every discovery helps shape the seascape of our convention.

As we dive into new depths together, your feedback is the compass that helps us steer and improve. Did something sparkle? Is there a current you want to point out? Or a wave-making suggestion for next year?

We want to hear it all. Help us build a convention greater than the sum of its seas. Your insights set our course.

The theme for 2025 is:

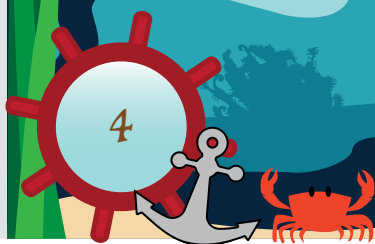

UNDER THE SEA

Grab your snorkel and set sail! This year we are diving Under the Sea to swim with the fish, exploring sunken starships, and following the siren's call.

At SNAFU Con 2025, plunge into a weekend filled with cosplay currents, treasure-filled artist alleys, and panels that go deeper than ever before. Unearth hidden gems from your favorite shows, ride the waves of games and music, and meet the creatures who make the anime world come alive.

Expect sea shanties, squid hats, pirates, pearls, mermaids, and mecha submarines. Whether you're a deep-sea diver, a salty sailor, or just here for the beach episode, there's a tide of fun waiting just below the surface.

So take a deep breath and join us as we explore uncharted waters... because it's always better down where it's wetter.

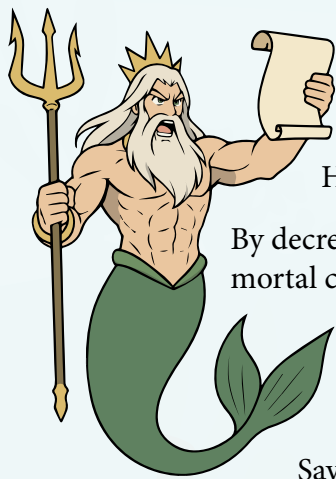

Embark on a Voyage into the Deep

Welcome to SNAFU Con 2025! Don your snorkel and join the crew—explore tide-pools, complete sea-side challenges, and earn treasure tickets to trade at the Treasure Grotto!

How to Play!

1. Find the SNAFU Divers! They'll be wearing large buttons to identify them. Approach them to be assigned a diving expedition.
2. Diving expeditions include creature sketching, mini-games, scavenger hunts, trivia, and helping keep the ocean flowing. Complete a challenge to earn red or gold treasure tickets depending on difficulty.
3. The fastest way to catch more tickets is volunteering, contributing to SNAFU Con 2025 and its mission to bring anime fun to new depths
4. When you've collected enough treasure, visit the Treasure Grotto at the prize booth in the main hallway to trade tickets for prizes!

Hear ye, hear ye, citizens of the deep!

By decree of the tides and the turning of mortal clocks, our great convention falls upon the sacred moment known as the Autumnal Temporal Current! When the surface world stumbles through its "Daylight Saving" ritual, we shall claim its

bounty: one entire extra hour of glorious slumber. Let the landfolk wrestle with their clocks while we rest like royalty in our coral chambers, dreaming of cosplay contests to the gentle hum of whale-song karaoke.

So heed your king's command: when the moon is high and the time strikes 1 a.m. again, do not panic! You have not fallen into a temporal whirlpool (probably). It's simply the ocean itself rewarding you for your devotion. Rest easy, my guppies and gupettes, for the sea provides... and tonight, it provides an extra hour of sleep.

Rules!

1. Tasks may take you to all areas of the con. Please be respectful of con-goers not currently engaged in expeditions.
2. Some tasks are repeatable, but some may be a one-time-only deal.
3. Take care of your tickets. SNAFU Con is not responsible for any lost tickets.
4. Expedition rewards are first-come, first-served. But don't despair! The best prizes will change day-to-day to give everyone the chance to earn something cool!
5. Remember that there is no running in the con areas or the hallways. Safety is the first rule of the deeps.
6. Try new expeditions, make fascinating discoveries and most importantly, have fun!

The Great Basin Buccaneers

The Great Basin Buccaneers are a group of reenactors local to the Reno area who like to portray Pirates in all their glory. They embrace all phases of piracy: Historical, Fantasy, Steampunk, and so on. We specialize in tabletop period games and shenanigans! We be tellers of tall tales and have been known to recruit from the general population to help spread the good word of the Black Flag! Kids, ask our Captain to tell you the tale of the Turtle Tears!

Letters from the Chairs

Welcome everyone!

I'm glad you all made it! It's great to be back. Every year's a new adventure, and it's been wonderful seeing so many familiar faces. I think you're going to have a lot of fun with this one.

The staff have done a ton of work to get us here, and you can tell. Huge thanks not only to our returning crew, but also to the new staff who jumped in to take on everything life threw at us this year. Thanks for not mutinying on the way...

To this year's attendees: we have a lot for you this weekend. Meet the guests! Catch a performance! Learn a new skill! Play some games! Search for treasures! Maybe make some new friends, too.

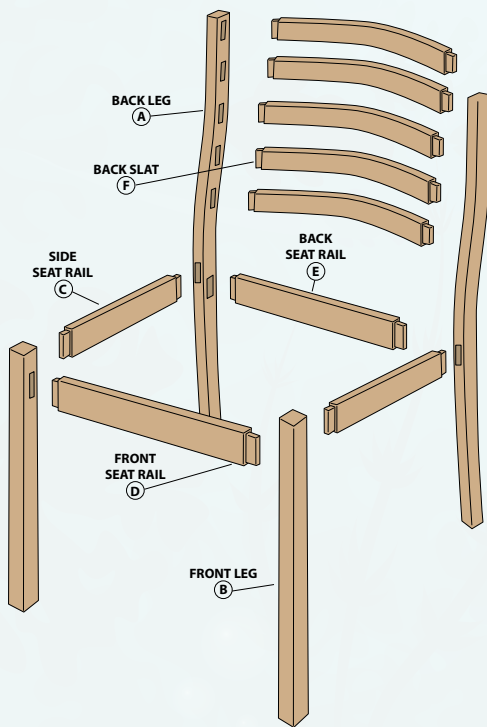

Whatever you do, dive in ready for a great time.

~Tim

A shark walked into Artist Alley . . .

Everyone told them it was a "Fin-tastic cosplay!"

Welcome, everyone! I'm so glad you could all take a seat with us this year. Things started a little wobbly, but by keeping all four feet on the floor, I managed to stay balanced and help support our amazing staff as we got ready for another incredible convention.

Our theme this year is Under the Sea, and I'll admit, I was a bit uneasy about all that moisture at first. A little dampness can be rough on the upholstery! But after doing my research, I found out the furniture on the Titanic has held up for over a hundred years. If they can stay sturdy through that, I think we can recline, relax, and enjoy the voyage together.

We've got a fantastic lineup waiting for you. We're welcoming back some beloved guests from years past and introducing some fresh faces who are sure to make waves. Whether you're

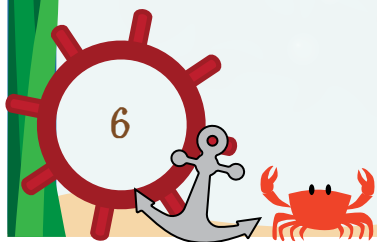

at panels, concerts, or games, I hope every event fills the seats and your hearts alike. When our guests aren't on stage, you can find them sitting proudly at their tables, so pull up a chair and say hello!

And don't forget to stop by our CHAIRity Auction before closing ceremonies. Just try not to sit on your wallets because the donations and items this year are truly spectacular.

Most importantly, take time to chair-ish these moments with friends old and new. Run a panel, share your chair-ific ideas, and make new memories. And the chairy on top? Meeting someone amazing just by asking, "Is this seat taken?"

Why do I do all this? Because chairing is caring.

Our 2025 charity is

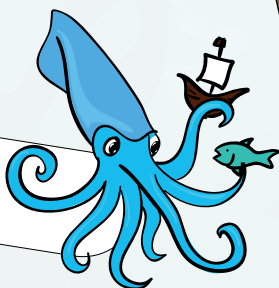

The Special Needs COMMUNITY of Northern Nevada is a non-profit organization based in the Reno/Tahoe area dedicated to improving the lives and experiences of those with special needs. Our goal is to improve the day-to-day lives of those with special needs through social activities that allow members to enjoy them regardless of what makes them special. These include sensory hours at local businesses where the lights and sounds are turned down to allow those with any aversion to enjoy the activities and in a less crowded atmosphere. These events occur every month, with larger events around the holidays helping families get the most out of events many often take for granted.

Her VO credits include cartoons, video games, & anime such as Ship Computer, Gillian, & 10 other roles in *Star Trek Prodigy* on Netflix/Paramount+; Rainbow Mika in *Street Fighter V*; Silque in *Fire Emblem Echoes: Shadows of Valentia* and additional voices in *Fire Emblem: Three Houses*; Cartoon Network’s *Mighty Magiswords*; Biko in *Muhyo and Roji’s Bureau of Supernatural Investigation*; Sam in *Battlestar Galactica Deadlock*; Bounce Man in *MegaMan 11*; Soujin in *Ikki Tousen*; Eva in *Code Vein*; 13 *Sentinels*; and many more! As a singer, Bonnie has performed all over the world and just made her West End debut in London as Holly Genaro in *Die Hard the Xmas Parody Musical* last December. She has been singing and guesting at comic cons all over the country with her nerdy parody act – taking top 40 hits and transforming them into nerdy, geektastic tunes about sci-fi & fantasy fandoms!

Bonnie is currently cast in a new live action sci-fi series set to shoot next year, and make sure to watch for her in the new horror thriller film *The Vanishing Tour* coming out in 2026!

Follow her @BonnieBellG on all social media (Twitter, Instagram, TikTok, etc.)

Hailing from New York, he started out narrating audio books for the blind and from there he branched out into all facets of media. He is widely known as the CEO of the award winning studio Ascendent Animation, and for his work on *The Yaoi Xmas Carols*, *Sonic The Hedgehog*, Wendy Pini’s *Masque of the Red Death: A Musical Thriller*, *Card-en-Ciel*, *Venom: Let There Be Carnage*, *Kakushite! Makina-san!!*, *Ant-Man*, *Yandere Simulator*, *Aphmau*, *Henkei Shoujo*, *Gunvolt Chronicles: Luminous Avenger Ix-2*, *Camp Buddy*, *Fire in His Fingertips*, *Everything for Demon King Evelogia*, *Unexpectedly Naughty Fukami*, and *Anima: Gates of Memories*.

Warky looks forward to what the future has in store for him and hopes there will be singing and dancing along the way!

Christopher Escalante

Christopher Escalante is a voice actor, music composer, and on-screen personality for the YouTube channel *Aphmau* with over 24 million subscribers.

As a voice actor, Christopher has voiced many roles in anime produced by Funimation and Crunchyroll such as Kinji Ninomiya in *The Dungeon of Black Company*, Ken Sonozaki in *Higurashi: When They Cry - Gou*, Kozo Yukawa in *Isekai Onsen Paradise*, as well as *Banished from the Heroes Party*, *A Couple of Cuckoos*, *The Prince of Tennis*, *Henkei Shoujo*, *Lovely Complex*, *Ishida & Asakura*, and video game roles such as Batman in

As a composer and musician, Christopher has written original music and songs for many films, video games, and artists that have reached the Billboard Charts at “#13 Classical Crossover Album” and “#14 Classical Album.” His soundtrack credits include the *Seduce Me* series, *Battle Rage*, *ACE Academy*, *Blood of Redemption*, the *Twice the Dream* film series, *Mythica: The Necromancer*.

Laura K Welsh

Laura K. Welsh is a full-time voice actor currently based in LA, known for bringing dynamic characters to life in video games, ADR, commercials, and animation, and sometimes even while you're stuck on hold! With over 15 years behind the mic, she's voiced heroes, villains, creepy-crawlies, and everything in between for major studios and indie developers alike.

Her background in performance began on stage, where she earned her B.A. in Theater Arts Performance from Catawba College in 2008, before transitioning her love of storytelling into the world of voiceover.

Fun fact: her very first “gig” was as a volunteer reader for the Atlanta radio station for the blind, GaRRS.

Her credits include *Genshin Impact* as many NPCs, most notably Mini Durin; Valrika in *FANTASIAN Neo Dimension*, *Visions of Mana*, Catori and Venti in *My Time at Sandrock*, Pippa in *Magic Mixies*, and several spicy anime dubs by Ascendent Anime. The list goes on, and you're welcome to try your best to surprise her with deep cuts when you say hi!

When she's not in the booth, Laura can usually be found refining her craft, tending to her succulents and pollinator garden, playing Jackbox with fellow creatives, or gently reminding Google that the K in her name is the key to finding the voice actor, not the indie pop singer.

Jade Griffin

Jade Griffin is a creative firestorm, a published author and illustrator whose stories span horror, fantasy, and adventure. Best known for her long-running fairytale-superhero webcomic *56 Shards* and her darkly thrilling *Amor Fati* tabletop role-playing series for *Call of Cthulhu*, Jade's work blends heart, myth, and mystery into unforgettable worlds.

Jade has spent her life bringing vivid imagination to the page through novels, TTRPGs, and illustrations. She serves as Illustrator Coordinator for SCBWI Nevada, creates the column and comic "Author Ity" for WriteRiders, and recently completed art and design for the National Automobile Museum's Pinewood Derby Lego Build-It Display.

Shane Tay

Shane Tay is a multi-award winning actor from Utah, currently working at Ascendent Animation. Though a lifelong fan of anime, he studied for a career in the non-acting side of traditional theatre. Much to his surprise, his dream came true when he was picked up by Ascendent Animation. Shane never believed he would make it from fan to guest, but never giving up his whimsy paid off.

He's worked on shows and movies including *Kakushite! Makina-san!!*, *Show Time! (1 & 2)*, *Henkei Shoujo*, *Masque of the Red Death*, *XL BOSS*, *Ishida and Asakura*, and *Even in Dreams*.

When he's not working, Shane enjoys building plastic models, laughing, and learning things he didn't know he didn't know. If you hear laughter that you can't locate, it's probably coming from him on the other side of the convention!

Angel Rose

Angel Rose is a singer-songwriter, actress, voice-over artist, and curve model whose work includes music, film, television, and live performance. Her on-screen credits include appearances in *Ruthless*, *Sebastian Maniscalco: Is It Me?*, *Criss Angel's Magic with the Stars*, and *America's Got Talent*. She has also lent her voice to radio and commercial projects, including Reno's 93.7 Crazy 80's.

In addition to acting and voice work, Angel has been releasing a multi-part music series, *The Fun-Da-Mentals of Make Believe*, blending messages about mental health with fantasy and horror-inspired visuals. Her upcoming single and video, "Mask" (featuring Enigmata), debuts Halloween night. She created *The Heart of Art Podcast* to encourage artists to share their stories and help those who want to escape reality.

Angel is excited to host panels on acting, singing, and character development.

Steven Yu

Steven Yu is an illustrator and comic book creator. Steven worked as a storyboard artist for major companies including Toyota, Taco Bell, and Google. Growing up, he was fueled by a steady diet of 80's and 90's action films, Jackie Chan movies, and martial arts themed manga. Those inspirations explode off the pages of his newest graphic novel, "JOAN," a high octane martial arts medieval western reimagining of Joan of Arc, where the Saint is resurrected and given infinite ammo to seek revenge. His work can be found at sydstudiopresents.com

Kevin Frane

Kevin Frane has been a cornerstone in Japanese media localization for over two decades. A former producer at Sega of America, Kevin has brought countless stories to life through his translation and localization work across video games, anime, manga, novels, and academic publications.

His impressive portfolio includes titles like *428: Shibuya Scramble*, the original *Yakuza* series of video games, Yu Godai's *Avatar Tuner* novels, along with numerous anime projects for Ascendent Animation including *Unexpectedly Naughty Fukami*, *Kakushite! Makina-san!!*, and *Nukitashi*.

Gavin Black

Local author Gavin Black is here to bring the experience he's gained with building worlds and getting them published. Growing up, he spent his formative years in the hospital due to a congenital lung malady, escaping into the fantasy and science fiction books by authors like David Eddings, J.R.R. Tolkien, Robert Heinlein, and Issac Asimov. He's written the YA fantasy novel *Crop Burner: The Tale of Fearn and the Deamhon* and the illustrated chapter book *The Friend Exchange*, with the fantasy novel *Journey Through the Forgotten* coming out soon.

Spencer Stoner

Author and creator Spencer Stoner brings his storytelling magic to the convention floor! Known for the *Ophelia Legacy* series and the upcoming graphic novel *Divine Intervention*, Spencer is also the mastermind behind Con for a Cause, a local convention with heart. As the founder of Ohana Honua Productions, he's produced the short film "Duplex" for the Carson Creepy Film Competition and is diving into audio dramas and an upcoming YouTube channel. Whether you're a fan of thrilling stories or indie productions, Spencer's work is not to be missed!
